**Nature of Complaint:**

(Docket No. E-01345A-08-0172)

I can't believe this is before the commission? How can a corporation that can't run itself to make a profit and can't run it's largest power plant profitable ask the people it service to constantly bail them out? Quite frankly, I'm tired of us working individuals paying for the stupid mistakes the top executives make in looking forward to deal with conditions they can see coming.

All of the working class, (APS's customers), are cutting back wherever they can in the face of the economy and jobs here constantly being eliminated. Yet, here is APS asking for yet another increase? This is looking more and more like politicians bailing out a corporate entity just like the banks and the customers are the ones paying over and over.

Is this increase goes through, I personally will lobby every voter I can to throw not only every state politician out of office but every corporate commissioner out of office. So.

**Investigator's Comments and Disposition:**

I called customer @ 2:55 p.m. and left a voice mail message acknowledging the receipt of the customer's correspondence. I also stated that his Opinion would be entered into the database for the record and that their Opinions would be docketed so that the Commissioners would have an opportunity to read his concerns prior to hem rendering their decision. FILE CLOSED.

I emailed this OPINION to Carmen Madrid @ ACC Phoenix Office to have this docketed towards Arizona Public Service Company - Docket No. E-01345A-08-0172
